Roksnet Cookie Notice

Last updated: 15.06.2026
Publisher: Roksnet Solutions OÜ

This Cookie Notice explains how Roksnet Solutions OÜ uses cookies and similar technologies on the public website available at https://roksnet.com.

This Cookie Notice applies only to the public Roksnet website. Other Roksnet environments or services may use separate or additional cookies and technologies, as described in relevant service documents or interfaces.

1. What are cookies and similar technologies?

Cookies are small text files stored on your device when you visit a website.

Similar technologies may include local storage, session storage, and comparable technical identifiers used for similar purposes.

2. Cookie approach on the public website

We do not currently use advertising cookies, behavioural profiling cookies, or third-party marketing trackers on the public website.

We may use strictly necessary cookies or similar technologies required for:

- core website operation;
- security and abuse prevention;
- technical stability and troubleshooting;
- form functionality and service continuity.

3. Strictly necessary cookies

Strictly necessary cookies may be used without separate consent where they are required to provide the website or a service explicitly requested by the user.

These technologies may support functions such as:

- page and session integrity;
- security checks and anti-abuse controls;
- temporary technical state management;
- error detection and service recovery.

4. Analytics and preference cookies

We do not currently use analytics or preference cookies on the public website.

If non-essential cookies are introduced in the future, this Cookie Notice will be updated and consent will be requested where required by applicable law.

5. Marketing cookies

We do not currently use marketing or advertising cookies on the public website.

If such technologies are introduced in the future, this Cookie Notice will be updated and consent will be requested where required.

6. Third-party websites

The public website may include links to third-party websites.

If you open those websites, they may use their own cookies and similar technologies.

Roksnet is not responsible for third-party cookie practices.

7. How to manage cookies

You can manage cookies through browser settings, including blocking or deleting cookies.

If you disable strictly necessary cookies, some website functions may not work correctly.

8. Relationship with the Privacy Notice

Personal data processing related to cookies and similar technologies is described in the Roksnet Privacy Notice for the Website (RPN-Website).

9. Changes to this Cookie Notice

We may update this Cookie Notice from time to time, including when legal requirements or website technical settings change.

The latest version is published on the website.
