Roksnet Site Terms (RST)

Last updated: 15.06.2026
Publisher: Roksnet Solutions OÜ

1. Acceptance of Terms

By accessing or using the website located at https://roksnet.com and related public webpages (the "Website"), you agree to these Roksnet Site Terms ("RST"). If you do not agree, you must not use the Website.

2. Website Operator and Mandatory Provider Information

Website operator:

- Legal name: Roksnet Solutions OÜ
- Business registry code: 12998179
- Register: Estonian Commercial Register (e-Business Register)
- Registered address: Keevise 10, 11415 Tallinn, Harjumaa, Estonia
- Email: support@roksnet.com
- VAT identification number: EE101862529

Where the Website refers to fees, prices, or charges, Roksnet will indicate whether such amounts include taxes and delivery charges.

Where a specific activity requires a registration number or activity licence by law, that information is provided in the relevant service materials.

3. Purpose and Audience

The Website provides general information about Roksnet, Roksnet Framework, Roksnet Services, onboarding options, resources, and contact channels.

The Website is intended primarily for organisations and professional users interested in secure data exchange, X-Road usage, and related services.

4. Informational Nature of Website Content

Website content is provided for general informational purposes.

Roksnet aims to keep information accurate and up to date, but content may not always reflect the latest version of services, pricing, technical requirements, policies, or legal documents.

Information on the Website does not constitute legal, technical, information security, financial, or other professional advice.

Each organisation is responsible for assessing its own legal, technical, and operational obligations.

5. Relationship with Other Roksnet Documents

These RST govern only the use of the public Website.

Use of specific Roksnet Services may be governed by separate terms, policies, service descriptions, onboarding requirements, and agreements.

If there is a conflict between these RST and service-specific terms, the service-specific terms apply to that service.

6. No Automatic Membership or Service Entitlement

Using the Website, submitting a form, sending a request, reviewing resources, or starting onboarding does not automatically:

- create a Member status,
- activate any Roksnet Service,
- grant access to operational environments,
- or create a right to receive any specific service.

Membership and service activation may require Identification, onboarding completion, acceptance of applicable terms, technical setup, and payment where applicable.

7. Acceptable Use

The Website must be used lawfully, in good faith, and consistently with its purpose.

You must not use the Website in a way that:

- violates applicable law;
- infringes rights of Roksnet or third parties;
- attempts unauthorized access to systems, accounts, or data;
- harms security, integrity, or availability of the Website;
- introduces malware, harmful code, scanning, abuse automation, excessive traffic, or denial-of-service activity;
- misuses forms, onboarding channels, or contact functionality;
- submits false, misleading, or fraudulent information.

Roksnet may restrict or block access where reasonably necessary to protect security, availability, legal compliance, rights, or legitimate interests.

8. Third-Party Links and External Resources

The Website may contain links to third-party websites or resources (for example X-Road or NIIS-related materials).

Such links are provided for convenience only.

Roksnet is not responsible for third-party content, security, availability, legal terms, or privacy practices.

9. Intellectual Property

Unless otherwise stated, Website content (including text, structure, design, graphics, logos, icons, and documents) is owned by Roksnet or lawfully used by Roksnet.

Website content may be viewed and used for internal informational and evaluation purposes.

Without prior written consent from Roksnet, you may not copy, modify, publish, distribute, sell, sublicense, or create derivative works from Website content, except where applicable law permits.

Third-party names, trademarks, and logos remain the property of their respective owners.

10. Website Availability and Changes

Roksnet seeks to maintain reasonable Website availability and functionality but does not guarantee uninterrupted, error-free, or risk-free operation.

Roksnet may at any time modify, update, suspend, restrict, or remove Website content, webpages, links, resources, or functionality.

11. Limitation of Liability

To the maximum extent permitted by applicable law, Roksnet is not liable for losses or damages arising from:

- use of or inability to use the Website;
- reliance on Website information;
- errors, omissions, outdated information, or broken links;
- third-party websites or external resources;
- technical interruptions or security incidents affecting the Website.

Nothing in these RST excludes or limits liability where exclusion or limitation is prohibited by applicable law.

12. Privacy and Cookies

Personal data processing related to Website use is described in the Roksnet Privacy Notice for the Website (RPN-Website).

Use of cookies and similar technologies is described in the Roksnet Cookie Notice.

Where consent is required by applicable law for cookies or similar technologies, Roksnet requests and manages such consent through appropriate Website controls.

13. Governing Law and Jurisdiction

These RST are governed by the laws of the Republic of Estonia.

Disputes arising from these RST are subject to the exclusive jurisdiction of Harju County Court (Harju Maakohus), unless mandatory law provides otherwise.

14. Definitions

Capitalized terms used in these RST have the meanings set out in the Roksnet Terminology and Definitions (RTD), unless expressly stated otherwise.
